LINEMODS · INKJET VACUUM BASES

Stealth 209

Premium Inkjet / Dryer Base

9' split base with high-temp dryer extension

PROVIDES "WIDE BELT" THROUGHPUT AND EDGE CONSISTENCY – WITHOUT THE WIDEBELT COSTS

Quality Without Compromise

Linemods Premium Inkjet/Dryer Base – Quality without compromise, from the innovative vacuum system to the powder coated aluminum frames. Perform quick, easy setups – Linemods "Stealth" systems incorporate Linemods' patented "I Series" transport design.

Linemods equipment is designed with a balance of easy operation, longevity and innovation from over 25 years of experience in the post press/production environment – All equipment equipped with a 2-year built-in warranty.

Attributes

- .5mm belt height (from deck)
- Advanced auto-regulated vacuum system
- Premium silicone dryer belts
- 3/8" Powder coated aluminum frames
- Adj. height +5" (12.7cm) from casters
- Tool-less adjustments
- Integrated encoder mount
- Upstream/downstream, speed-following

System Design & Details

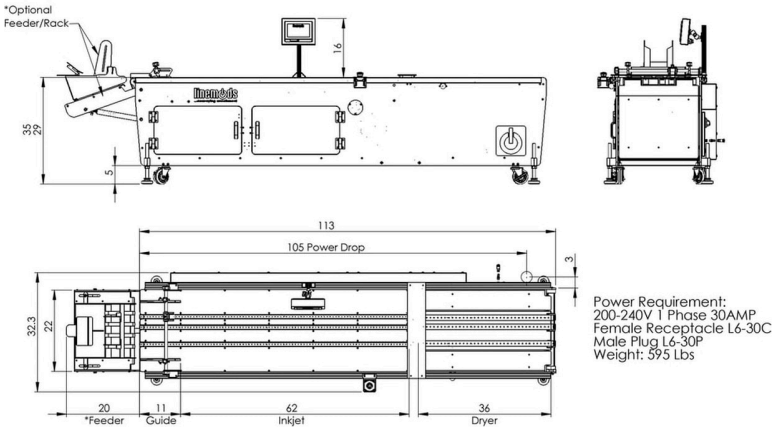

All Linemods “Stealth” units are performance engineered to deliver an optimum supply of vacuum without stalling conveyor or stressing pump – Linemods uses a regenerative turbine vacuum system with pressure sensors to precisely control the vacuum pressure – Linemods offers the most innovative, high performance vacuum conveyor systems available.

Feature attributes

- Touch-screen HMI
- 2 year warranty
- Simple electrical/drive components
- Minimal tools needed to perform most set-ups/changeovers
- Vacuum belt construction is of a friction resistant backer, perforated for vacuum integration – Timing belts provide skew free operation on the inkjet section
- Component design – All pivot points have bearings, all components designed to last

Product Capacity

Width	Up to 21” (53cm) · product width range 2” – 21”
Speed	600 (183m) or optional 1000 (305m) LFPM
Product thickness range	.05mm – 13mm
Base	9’ split base with high-temp dryer extension
Adj. height	+5” (12.7cm) from casters
Gross weight	595 lbs
Electrical	200-240v 1 Ph / 30amps · male plug L6-30P, female receptacle L6-30C
Warranty	2-year built-in warranty
